## I. K. Regional Convention Here Tomorrow

### FINAL CAST CHOSEN FOR COLLEGE PLAY 'JOAN OF LORRAINE'

Kay Sorenson will portray Joan of Lorraine in the play of the same name, Normal Howell, drama director, disclosed this week. The production is set for February 24 and 25 in the college auditorium.

"Joan of Lorraine" written by Maxwell Anderson, is actually a play presented within another play," Mr. Howell said. The production itself is a story of a New York play cast during rehearsals of the show, "Joan of Lorraine."

The titles of the cast in parentheses indicates the roles played by the individual members of the cast in the play-within-the-play.

#### Play Cast

Supporting roles in the show will be filled by Sam Beattie as Elling (Laxart); Donald Fenton, Sheppard (Alain Chartier); Delmar Thompson, Ward (The Dauphin); Glen Edmison, Long (Dunois, son of Orleans).

Others selected by Mr. Howell for the cast are Dan Ranniger as Masters, the director; Stan Kebbey, Al stage manager; Al Thornton, Gardner, the electrician; Bertrand de Poulengy; Peggy Chester, Marie, the costumer; Frank Fletcher, Quirke (St. Michael) (de Estivet); John Pickens, Abbey (Jacques d'Arc) (Cauchon, Bishop of Beauvais); Elaine Crist, Miss (Isabel d'Arc).

Others chosen are Tommy Kundson as Cordwell (Jean d'Arc); Bill Boyd, Dolineau (Pierre d'Arc); Marilyn Dreher, Miss Reeves (St. Catherine); Mary Lou Shaver, Miss Badler (St. Margaret); Jack Schneider, Farwell (Pean de Metz, executioner); Barbara Bennison, Tessie, the assistant stage manager (Aurore); Art Tilley, Jefferson (Georges de Tremolles); Ralph Ruff, Kipnew (Archbishop of Rheims); Gene Parsons, Noble (La Hire); Ramon Ross, Champlain (Father Massieu).

Story Is About Struggles of Joan  
Stage settings and lighting will be directed by the stage manager, Gerhard Dieckmann. Assisting him will be Jim Murphy. Tom Grotte, Gene Hanneman and Jim Coder. Barbara Adam of the Home Economics department will be in charge of costuming for the production.

Joan is a French farm girl who receives numerous visions from the Holy Angels telling her that she is

### BUDGET REQUESTS NEW PE BUILDING

A budget request of \$4,391,937, to cover the 1949-51 biennial period, was submitted in detail to the state department of budgets by Victor J. Bouillon, chairman of the board of trustees, and President Robert E. McConnell, in December.

Items as they will appear in the printed budget are: salaries and wages \$1,502,134; operations and maintenance, \$245,815; physical education building, \$1,100,650; swimming pool and dressing rooms, \$347,215; men's dormitory, \$500,000; remodeling and furnishing library building, \$375,572; improvements to campus, sidewalks, playgrounds, tennis courts, roadways and needed land, \$153,500; remodeling and reconditioning the old Administration Building, \$163,750.

Dr. McConnell emphasized that all of these projects are very badly needed. Increased enrollment requires additional facilities, and wear on the old buildings demand repairs and reconditioning. The Administration Building has not been remodeled since it was built in 1893.

Construction of a new health and physical education building which will accommodate both men and women students is the most pressing need. The Y.M.C.A. and the Ellensburg High School are letting the college use facilities to help get by this emergency period. Dr. McConnell said.

### DANCE FRIDAY NIGHT BY CANTERBURY CLUB

Dancing to the music of the best bands in the land is what the Canterbury Club promises CWC students at their dance in the Episcopal Parish hall at Fourth and Sprague tomorrow evening, Friday, from 8 to 11 p.m.

Following the SGA policy of non-profit dances, admissions have been set at 25 cents per couple and 15 cents for single admissions.

A smooth spacious dance floor will add to the evening's enjoyment.

The Parish hall is in the block below Washington Grade school on the right hand side of the road.

### HONOR STUDENT LIST SHOW GOOD GRADES

The honor roll for fall quarter, 1948, lists 325 students with grade averages of 3.00 or better. When the list was issued 20 students were found to have perfect averages of 4.00.

They are:

**4.00 Grade Average**  
Sven Anderson, Shirley Beck, Olga Belzer, John Clemmons, Howard Cobble, Mona Hancock, Alice (Mrs.) Johnson, Harriet Larson, Raymond Lehman, Lois (Mrs.) Mathews, George Moergeli, Richard Muzzall, Leota Olney, Robert Pashek, Leslie Pratt, Willard Howberg, Edith Sandberg, Donald Simmons, Frank Stowell, Marjorie (Mrs.) Taylor.

**3.99-3.50 Grade Average**  
Duane Abels, Antonia Adeline, Dorothy Anderson, Robert Barker, Barbara Bennison, Shirley Blodgett, Joyce Bonathan, Shirley Branton, Donald Brozman, Alvin Busby, Eugene Busby, Ernest Chandler, Wilbur Chinn, Alden Clark, Robert Cornelson, William Cross, Joyce Crowe.

Ronald Dahlin, Carole Davidson, John Davis, James Dekker, Corrine Dohlen, Donald Dowie, Lois Dryden, Frank Duntley, Lawrence Dye, Kenneth Elfbrandt, Avis Face, Dennis Farrell, Elv Gaviorno, Patricia Gess, Harold Goodwin, Richard Grant, Robert Green, Evan Griffith.

Marvin Hagen, Bruce Harding, Gordon Hauck, Mary E. Hayes, Mary E. Hill, Ben Johnson, Virginia (Mrs.) Johnson, Dolores Krook, Betty Lee, Marilyn Loranger, Robert McCullough, Allene Maloney, Margaret Mansperger, Harold Miller, Leston Miller, Lloyd Miller, Virginia (Mrs.) Miller, Gene Montague.

Norris Nickols, Betty (Mrs.)

The Claw chapter of the Intercollegiate Knights at Central Washington will act as host for a joint Regional Convention and National Officers meeting Friday and Saturday, January 14 and 15. Delegates from the majority of the colleges of the Northwest will attend this two-day session, which will probably be the largest IK meeting to be held prior to the National Convention.

As the convention is of such importance an invitation to attend was extended to all of the chapters and National Officers in the organization, so all of the Western states should be well represented.

### DR. FURBAY TO SPEAK ON 'BUSINESS AIR AGE' TODAY AT TEN A. M.

Travelling as he has to the far corners of the earth has afforded Dr. John Furbay, noted lecturer, explorer, educator, and author, an enviable opportunity to obtain an expansive understanding and vivid picture of "Business in an Air Age," he current lecture, to be presented in the college auditorium Thursday, January 13, at 10 a.m.

Not content with the 43 countries he had previously visited, this aggressive educator, author, explorer and lecturer went abroad again in October. He attended as delegate in 1948 Plenary International meeting of UNESCO (United Nations Educational, Scientific and Cultural Organization).

JOHN FURBAY

ization) in the Near East which was held on the beautiful American University Campus at Beirut, in Lebanon. His further travels took him to Portugal, parts of Spain, Italy, Greece, Algeria—in fact his trip was "from Lisbon to Bagdad, from Istanbul to the Upper Nile."

He visited the American College and reviewed the influence of the United States in Greece. He visited the Arab peoples and learned their influence on the culture and economics of the whole Mediterranean.

"Since," Dr. Furbay writes, "astounding figures show that 38 hours by air will reach anyone in the world from any given point, the world's troubles and problems are literally in our back yard."

"But," he continues, "there are likewise tremendous opportunities for business progress provided we are willing to allow the global community viewpoint to supersede old prejudices of narrow nationalism."

#### NOTICE

Friday, January 14, is the last day to register or add a course for winter quarter.

Friday, January 21, is the last day to drop a course without penalty.

Friday, January 24, is the first day to pay course fees.

Monday, January 31, is the last day to pay course fees without

The main purpose of the convention is to discuss expansion, revision of the National Constitution, chapter activity and financial reports, and the National Officers reports. Expansion is of particular importance as a program is being set up to contact all of the major colleges and universities in the Western states. Many of the schools have service organizations similar to the Intercollegiate Knights and have filed applications to join this National Service Fraternity.

Under the direction of Duke, Jim Paulson and Scribe, Don Mitchell, the Knights have carefully planned for this important event. They have been very capably assisted by National Officer Jim Brooks, who is Regional Viceroys for Region I.

The men in charge of particular details for the convention are: registration, Gil Brooks; entertainment and banquet, George Moergeli; housing, Bill Ranniger; dance, Don Mitchell; dates, Bill Cable; convention minutes, Don Lowe; advertising, Howard Evans, and programs, Dionicio Tobia.

Among the National Officers who will probably attend are: Royal King, William K. Eaton, Pacific University; Royal Duke, Wally Walker, Washington State; Royal Chancellor, Howard D. Evans, CWCE; Royal Editor, Dean Joslin, Idaho State College; Chapter Relations, John B. Thomas, Pacific University, and National Advisor, Grant Dean, University of Utah.

### FACULTY MEMBERS ATTEND MEETING

A delegation of faculty members, headed by President Robert E. McConnell, attended the fifteenth Annual Conference of Supervisors and Administrators, held in the New Washington Hotel, Seattle, December 28, 29.

Topics of discussion at the meeting were legislation, an analysis of the Washington Educational Association and various instruction problems.

Those attending from the Central faculty were, Mr. Ernest Muzzall, Mr. Edward Rogel, Dr. A. J. Cross, Dr. E. E. Samuelson, Dr. Charles Saale, Mr. Harold Barto, Miss Mary I. Simpson, and Dr. McConnell.

Any veteran whose eligibility for GI Bill education runs out after he completes at least half of a school semester which is normal in cost may complete the remainder of the semester at government expense, Veterans Administration said.

The veteran also will receive subsistence allowances for the remainder of the semester.

The ice skating rink behind the new science building is open and available to the students who wish to skate, according to Al Adams, who is in charge of Central's newest addition to the campus.

The student body through

## WELCOME

Now that 1948 is just a memory to tuck away with the other years that have slipped by so fast, and 1949 is fast becoming a problem to cope with in our daily lives, the Crier staff would like to extend a hearty "Hello" to all the returning students of Central and a warm "Welcome" to those students who are experiencing their first days on our snow-topped campus.

Central Washington is often called "the friendly college" and it is our sincere wish that you will find this to be true and acquire many lasting friendships while here.

May 1949 be the biggest and best year for you and for Central Washington!

## A WORD TO THE WISE

A good hand of applause should go to those fine people who so graciously give their talents to make up the intermission entertainment at dances. Not only should they be complimented for their fine presentations, but also for their obvious but painful overlooking of the poor taste and show of manners shown by part of every audience they face. The greatest tribute that issue from the back of the crowd gathered in front of the bandstand is enough to send even a professional entertainer home in disgust. It spoils the entertainment for the people who genuinely wish to listen and leaves the entertainer with a poor conception of the students in front of him.

Need we be reminded as ten year-olds that it is polite to keep the noise at a minimum when someone else has the floor?

## Eight Bachelor of Arts Degrees Given

Eight seniors received their Bachelor of Arts degrees at the end of fall quarter, according to Edward B. Hoge, college registrar. Six degrees were granted in education and two in arts and sciences.

Jack Shore, Ellensburg, formerly of Bronx, New York, received his degree in education. Shore majored in social science and is qualified to teach on the junior high level. He plans to begin graduate work at the University of Washington.

W. Ford Hoke, Ellensburg, received his degree in education and will teach at the Washington school here in Ellensburg. Hoke majored in science.

Formerly of Leslie, Arkansas, James A. Curtis, received his degree in education and is now teaching in Camas, Washington.

John E. Davis will continue with his graduate assistantship in fine arts here at Central. He received his B. A. in education and will continue to work for his master of education degree.

Others receiving B. A. degrees in education were Patricia Moen, Eatonville, and Mrs. Mabel S. Coffin, Los Angeles. All six were awarded three year elementary teaching certificates with their diplomas.

Ruth Weimer, Ephrata, and Russ Victor, Seattle, received degrees of

## POST OFFICE ISSUE IS SCRAPPED

A negative response of the student body was given to the Post Office issue which was voted on just before Christmas vacation.

Since the definite "no" given to moving the P.O. to the Campus Club did not relieve any of the present congestion, a compensatory measure of widening the doorway has been suggested.

The representation for Kennedy Hall is still in a more tentative stage, as this issue is going to be subject to a re-test in a later election. While there was no upsurge of disapproval the measure lacked 50 of the necessary two-thirds supporting vote of the student body to pass. The problem, even in the next vote on this question, will be recruiting votes from those living organizations which have no interests in the question.

A geology prof was speaking to a group of weary students as they plodded along a dangerously narrow path in the Lake Austin area.

"Be careful here," he warned. "It's dangerous. But if you fall, remember to look to the left. You get a wonderful view."

—Daily Texan

At least half the heredity-environment controversy has been settled by an LSU professor.

## State Institutions Cleared By Vets

Universities and colleges of the state of Washington were cleared of charges of discrimination against veteran students by a report released this week by Kenneth L. Lander, department commanding American Legion. The report approved after an investigation of the state institutions by the legion.

General Joseph A. Campbell, head of the state education but August, were that admission standards had been raised that advantage high school seniors had been required, and for failure to maintain these average standards had been dropped from school and refused readmission.

President Lander's meeting in the vicinity of state institutions were accompanied by the committee to do the investigating. Ralph Duke and Lee Johnson were assigned to Central Washington College.

Figures in the report show that total enrollment in state institutions increased from 12,028 in 1944 to 20,781 in 1947-48, or 73 per cent. Of students in attendance during the year 1947-48, 55 per cent were veterans.

In every instance where the scholastic averages have been compared between veterans and non-veterans, figures show that the averages of veterans have been uniformly higher. Investigation of admissions requirements shows that not a single institution has raised its entrance requirements since 1944. No single case was found where a veteran who possessed the necessary requirements was arbitrarily refused admission.

The committee on Central Washington College of Education submitted only an oral report with no statistical data available. No evidence of discrimination against the veteran was found.

Approval by the American Legion was extended to presidents of all the state institutions, including Dr. R. E. McConnell of C.W.C.E., and their respective staffs for their cooperation in completing the survey.

The report pointed out that the greatest problem during the past war years has been housing. At Central, housing for veterans now includes 50 individual apartments, one apartment house at 8th and Sprague, four dormitories on North Walnut street, one students' building and the campus club.

## SCRIPT WRITER CONTEST OPENS

In celebration of its 10th anniversary, the National Academy of Broadcasting in Washington, D. C., is offering several valuable scholarships to script writers in a contest which will close February 1.

The grand prize will be a full semester (16 weeks) of professional training in the residence school in Washington. This scholarship will cover all phases of broadcasting studio work, including script and continuity writing, dictation, foreign language pronunciation, music appreciation, radio drama, control-board operation, program building and direction. Other prizes will consist of residence courses in announcing, continuity writing or production and a basic course offered by correspondence. Awards will be made by qualified judges on the merits of scripts submitted. Any type of original continuity, commercial or dramatic, will be accepted.

**Demand Great**  
"The demand for trained personnel in radio is growing so rapidly," says Miss Alice Keith, president of the broadcasting academy and author of the textbook, "How to Speak and Write for Radio," that we are unable to fill all the requests for qualified announcers and writers.

## World Student Fund Opened

Another relief campaign is opening on the campus—the annual World Student Fund Drive.

"Another relief campaign? Not quite. This one is different. This one is ours."

There are over 200,000 students—college students like ourselves—in need today in the world. "Need" means just that—need of food, of books, of clothes, of medicine. There is one relief organization in this country which concentrates on helping these students—and only one. That is the World Student Fund. There is one group in which the World campaign—and our year: the students and faculty members of American colleges and universities.

This is an era when all bonds between men in different nations are disappearing. It is vital that we preserve trained and educated men and women in

we sent on by stations throughout the country. In the class that was graduated in September practically all were placed in stations within two weeks after commencement.

"Trained script writers who are able to announce, produce or do public relations work are in special demand. College women interested in continuing broadcasts for women and children or in directing programs are needed everywhere. General radio training for both men and women is most valuable as broadcasters are often called on to double in various branches. Specialized training points out the way to make use of varying talents."

Any student interested is invited to write directly to the National Academy of Broadcasting, 3538 16th Street, N.W., Washington 10, D. C.

every nation around who can work with us and understand us in the future. The World Student Fund offers the means for that preservation. The effectiveness of its work has been evidenced by UNESCO, the Association of American Colleges, and the American Association of Junior Colleges.

Everything we give to the WSSF should be regarded as insurance, not charity. The drive has started; the goal for Central Washington College is \$300.

The Sophomore girls' treasury, the Sages, have been designated by SGA to help in this drive.

The game of quills apparently originated along the borders of England and Scotland in the 16th century.

## Cupid Announces

Chocolates spelled out the news Monday evening, January 3, when 18 girls were invited to a party in room 104, Kamala Hall, to learn of the engagement of Allen (Pat) Maloney from Des Moines, Washington, and Ray Noble, Jr., from North Bend.

Pat is a graduate of Highline High School, class of 1947, and Ray graduated from Mount St. High School in the same year. She is an economics major in her sophomore year.

Those present at the party were: Darlene Nelson, Lenore Schalk, Priscilla Statterthwaite, Evelyn Galt, Lucille Sharp, Evelyn Offield, Joyce Bonathan, Betty Preston, Rosie Milhofer, Esther Tuomi, Shirley Blunt, Betty Byars, Joy Breshears, Mabel Hansen, and Sandy Boyd.

Betty Laefield, freshman at Central from Hoquiam and Louis Southworth, Jr., from Aberdeen, who now attends the University of Oregon as a freshman, have made plans to be married in August.

Next year both students will attend the University of Oregon.

At a party in Sue Lombard Hall, Wapak Riddle announced her engagement to Pete Whitson recently.

Wanda, a sophomore from Pasco, entertained the following friends at the party announcing her troth to Pete, from Carnation: Rosie Bundy, Shirley Riddle, Donna McCane, Nadine and Corrine Powell, Lucille Oranich, Madeline Fitzgerald, Muriel Hatfield and Myrtle Hatcher.

No date has been set for the wedding.

Announcing the troth of Jean Marshall, transfer student from College of Puget Sound, to Dick Milton, of Tacoma, who attends C.P.S., a clever skit was presented to the Elwood Hall girls recently.

Florence Haberman, as preacher, Audrey O'Neil, as the bride and Mary Nelson as the groom, Marie Nelson as the bride's father conducted a mock wedding to announce the coming event.

Miss Marshall and Mr. Milton will be married sometime in August or September.

Munson boys serenading the Elwood girls announced the engagement of Phyllis Dunlap, of White Salmon, to Gerhard Diekmann of Olney recently.

"I Love You Truly" railed the newly engaged couple.

The wedding is to be in June.

The following evening Dolores Delp was hostess at a party announcing her forthcoming marriage to Lyle West.

No date has been set for the wedding.

Another holiday engagement was revealed Monday evening, January 4, at a small after-hours party in Kamala when Trudy Sandberg of Hoquiam revealed her engagement to Bob Blinghant of Bremerton.

Refreshments were served to the following guests: Jean Alkana, Janet Nelson, Bontle Wickholm, Betty Johnston, Peggy Egbert, Beverly Rasmussen, Edith Balaberg, Nancy Vick, Raikes Poulter, Madeline Suga, Theresa Browning, Mary Hunter, JoAnn Dorf, Martha Nichols, Aileen Jenke, and Katherine Ludwig.

Among the newly engaged girls are Wanda Riddle, Jean Marshall, Betty Lou James (a former student of '47-48), Ilene Klett, Mary Nelson, Mary Porter, Dolores Delp, Phyllis Dunlap, Mary Gildes, Allen Maloney, Betty Laefield, and Vefina Sunich.

A few marriages took place during the vacation period, also. Prior to the vacation Shirley Norman became Mrs. Al Benson, and Harry "Lefty" Walraven became a bridegroom. Gail Farrell and Dan Rasmussen were married in Bellevue, and Agnes Osborn and Jack Crawford, who attended Central last year were married at their home. Jean Cothary, also a last year student and Ed Lalonde were also married.

One more vacation to go, and Cupid is busy working, too!

A Concert Assembly will be held at 10 o'clock February 1. This will be the first band assembly of the year by the Central Washington Band.

Reflexions were served to the following guests: Jean Alkana, Janet Nelson, Bontle Wickholm, Betty Johnston, Peggy Egbert, Beverly Rasmussen, Edith Balaberg, Nancy Vick, Raikes Poulter, Madeline Suga, Theresa Browning, Mary Hunter, JoAnn Dorf, Martha Nichols, Aileen Jenke, and Katherine Ludwig.

## Lalonde-Cothary Vows Repeated, Bremerton

Miss Jean Cothary, daughter of Mr. and Mrs. W. J. Cothary of Bremerton, became the bride of Edward Duane Lalonde of Tieton December 19th in the Bremerton First Presbyterian Church.

The bride wore white velvet, and carried a white Bible with stephanote streamers. Jack Stevenson was the best man, while the bride's sister, Rose Ann Cothary, was the maid of honor. Six bridesmaids attended her also.

A reception followed the ceremony, after which a trip to the Puget Sound cities was their honeymoon. The couple returned to Central, where the groom resumed his studies.

## Crawford-Osborn Nuptials At Home

Miss Agnes Osborn of Lake Quinalt and Aviation Cadet Jack E. Crawford, were married December 23, at 8 p.m. in the bride's home.

The bride wore a white two piece dress, and her flowers were orchids. Jeanne and Jackie Osborn were their attendants. The groom had for his best man his brother, Ted Crawford, of Snoqualmie Falls.

Following the ceremony the couple completed the Olympic Loop on their honeymoon, and then returned to the groom's home at Snoqualmie Falls, where their reception was held in the Community Hall.

Miss Osborn is the daughter of Mr. and Mrs. M. D. Osborn, and Mr. Crawford is the son of Mr. and Mrs. E. G. Crawford. The bride graduated from Lake Quinalt High School in 1946, while the groom is a graduate of Mount St. High School, class of 1947. He is at present stationed at the Air Force Base at Perrin Field, in Sherman, Texas, where he will graduate in October.

The new Mrs. Crawford will graduate from Central Washington College in June.

December 30 the groom returned to his station in Texas from Boeing Field in Seattle.

In many places, species of rhubarb are cultivated as shrubs for their handsome foliage, instead of as food or medicines.

One fern birth in every 87 births is standard in North America and Europe.

## Hep-mits New Fad On College Campus

One more homely, every day article has yielded to the modern vogue for style and color and as a result another national college campus fad appears to be in the making.

The common white cotton work glove, which has remained unchanged in appearance for generations, can now be had in a range of nine brilliant colors. You can buy them in matched pairs, you can mix them to match your school colors, or you can exchange left hands with a boy friend or girl friend and the two of you have corresponding mixed pairs of "Date Mates" or "Love Gloves."

The "new look" gloves have been nicknamed hep-mits and the idea was thought up by Miss Peggy Ann Garret, young star of William Moss Productions whose picture is soon to be released by Eagle Lion Films. Peggy's hobby is gardening and she decided that color should apply to gloves as well as to flowers. She had no trouble selling her idea to a big eastern textile firm.

The manufacturers thought they had a stylish item for women but when market tests were conducted in the Midwest, students at Northwestern and elsewhere began buying them in mixed pairs to correspond with their school colors. The fad got a boost in the East when Princeton athletic officials arranged to outfit their entire cheering section in orange and black gloves for the Princeton-Yale game.

Peggy's hep-mits are now to be had in a color range which includes red, green, gold, orange, blue, maroon, yellow, gray, purple, black and white. You can mix 'em or match 'em.

## Initial Mixer Draws Large Crowd To Gym

With a crowd of enthusiastic dancers, music of all the famous dance bands, and a newly varnished floor, the first mixer of the winter quarter got off to a rollicking start, Wednesday night in the Administration building gym.

The mixer lived up to its name as old acquaintances were renewed and the new students were initiated into the Swoozy spirit.

Colored spotlights added to the atmosphere as the juke box gave out with a steady stream of music, sweet and hot.

With Wednesday night as the example, the future weekly mixers promise to be gala affairs. All new students are cordially invited to attend these Wednesday night get-togethers.

Queens county, New York, was noted for horse races as early as 1688.

## Bird To Give Two Violin Recitals

Herbert Bird of Central's music department will give two violin recitals; one Tuesday morning, Jan. 18 at 10 o'clock in the college auditorium, and the second, the evening of Jan. 28 at 8:15 in the college auditorium.

At the recital Tuesday morning each selection will be preceded by a short informal introduction.

This will be Mr. Bird's second full violin recital since he has been on Central's campus. He has been heard and greatly praised at all of the civic clubs, churches and student activities at which he has played. He joined the faculty in Sept. 1947.

### Began Study Early

Mr. Bird began his study of the violin at the age of six. He has studied under many brilliant music teachers. Mr. Bird received his Bachelor of Music degree from Ober-

HERBERT BIRD

lin Conservatory of Music. Recently he completed graduate work at the Teachers College, Columbia University, New York, where he received the degree of Master of Arts in Music Education.

Mr. Bird's professional career has included a position as staff violinist of Radio Station WPTO Raleigh, North Carolina, a winter concertizing throughout North Carolina under the auspices of the State Federation of Women's Clubs; several seasons with the N. C. Symphony Orchestra; an instructorship in violin, and instrumental ensemble at St. Mary's Jr. College, Raleigh, N. C.; instructorship in theory at Teacher's College, Columbia University in New York. In the field of Chamber music Mr. Bird was a member of the Raleigh Chamber Music Guild for several seasons the Moyart Festival, Asheville, N. C., and the Woodstock String Quartet in its first season at Woodstock, New York.

**Served in Army**  
During the war Mr. Bird served in the Army and during his time in the service he entertained in Service Clubs, U. S. O. and Army hospitals when free from regular Army duties.

One of his press notices concerning the Sonata, which he will play Tuesday morning, says: "A large audience gathered last night in St. Mary's School auditorium to hear a recital by Herbert Bird, popular Raleigh violinist. The opening number was Corelli's Sonata in D in the performance of which the classic lines were drawn with clarity and

## Scottish Singers Give Colorful Assembly

The Kilties, a group of Scottish singers, sang to a near capacity crowd at the college auditorium last Thursday evening. Singing many old favorites such as "Annie Laurie," "Loch Lomond," and a comedy arrangement of "Comin' Through the Rye," they made a very colorful group dressed in their kilts made of plaids symbolizing the clan to which they belong.

Chief Nimmo, the leader of the group explained the plaids, or tartans as they are called, of the various kilts and also gave a brief story of each song before it was sung, making the evening full of enjoyable folklore as well as good music. The other three members of the group were Allen Newton and Donald Ross, tenors, and Edwin Lee, accompanist.

One of the most interesting points of the evening was reached when Nimmo produced a bagpipe which, he explained, had been in the Indian Wars and the Boer War. He played an old marching song, then he paraded up and down the aisles playing "Oh, Susanna," so the audience could get a better look at the historical bagpipe and his colorful dress.

## FREE CAMELS, CASES TO BE DISTRIBUTED

Free packages of Camel cigarettes in plastic cases with the initials "CW" will be given out to students at noon today. Company representatives will be stationed at the entrance to the three College dining halls as students go to lunch.

Camels, a regular advertiser in The Crier, gave a similar gift to the student body last spring. One thousand will be given to students today. In conjunction with this campaign, the company is offering at the College Book Store and the Campus Club a Trapwell pipe, valued at \$5 with a can of Prince Albert, smoking tobacco for \$1.95 or George Washington for \$1.75.

Off-campus students may receive their free cigarettes and cases at the Campus Club during the noon hour.

Placement season for prospective teachers is drawing near, and before long superintendents of schools and principals will be visiting the campus to fill their quotas of teachers for next fall. Seniors and other students who plan to teach are busy this week interviewing faculty members to obtain letters of recommendations.

Senior girls are urgently requested to call at the dean of women's office to bring their activity records up to date so that this information may be used by faculty members, requesting it for their recommendations.

Rain is formed by the further condensation of the moisture in a cloud.

to the finale. His playing was characterized by beauty and variety of tone."—Raleigh News and Observer.

Mr. Bird's program for the Tuesday morning recital is: Sonata by Corelli; Concerto by Mendelssohn; Jamaican Rumba by Arthur H.

## Band Will Tour The Lower Valley

February 7th and 8th the Central Washington College band will make an extended trip to the lower valley. The band will appear at Yakima, Wapato, and Sunnyside high schools on the 7th. The following day they will give concerts at Pasco, Kennewick and Richland high schools. On the evening of the 7th they will present their program under the sponsorship of Pasco-Kennewick Rotary Club.

The program which they will follow at all the schools will consist of 15 minutes of music by the dance band and 40 minutes of concert.

With co-operation of Pasco-Kennewick Rotary club housing has been secured in Pasco for the band which will consist of 30 to 35 members.

## Noted Philosopher Speaks Thursday

T. V. Smith, noted philosopher and professor of philosophy at the University of Chicago and author of a number of books on philosophy, political and social science, will speak before CWC audience Thursday, January 20 at 10 a.m. in the college auditorium.

A practitioner of politics as well as a professor, Smith was a member of the Illinois state legislature as well as being a Congressman-at-large from Illinois during the 76th Congress.

T. V. Smith was born in a log cabin, as he is proud to admit, at what is obviously a warm if not comfortable spot—Blanket, Texas. Born a poet, ambitious to be a statesman, happy at last to become a politician and a philosopher, he be-

T. V. SMITH

gan to interpret politics in and out of office. He graduated from the University of Texas and then migrated to the University of Chicago for his Ph. D. and a teaching post.

On June 1, 1943, Professor Smith (who had been a Pfc. in World War I) became a Lt. Col. and began training at the University of Virginia, and Algiers, North Africa, for a military government post. He became Director of Education in Italy after training and served for one year in this capacity. Professor Smith was one of the few who helped bring about the re-education of the conquered countries and is the only American educator to have served officially in the three great conquered countries for the rehabilitation of education.

## New History, Geog Courses Initiated

Although June is six months away, two registrations have already been received for the course Columbia River Studies which will be offered the first half of the 1949 summer session.

The course was offered for the first time last summer when 14 days were spent in classroom study and 10 days in travel through the Columbia basin project and down the Columbia River to the Pacific. The course is invaluable to all students who will some day teach the history, resources and industries of the state. Among the nationally-known places visited last summer were Coulee Dam, the Leavenworth fish hatchery, Ginkgo forest, McNary Dam (under construction), the state capitol, the sites of Port Clatsop (where the Lewis and Clark party wintered near Astoria) and Port Vancouver, Bonneville fish ladders and navigation locks, the Weyerhaeuser sawmill at Longview, the fishing fleets at Astoria, and the Crangyuma cranberry farm at Long Beach.

In addition to the six credits earned in this "Tour course," students may also take Washington History and Government (3 credits), a state requirement for teacher certification, or the Geography of Washington (3 credits).

Instructors in these three courses will be George Beck, widely known for his field studies and tours of Central Washington; Harold Barto, co-author with Catherine Bullard of the popular textbook "History of the State of Washington;" and Reginald Shaw, who has photographed the Columbia River from source to mouth.

For information on these courses students are advised to see one of the above-named instructors. Or, better yet, talk to the nine students now in school who were members of these classes last summer (Dayton Denton, Don Dowie, Fred Miletich, Eleanor Nelson, Bill Parker, Laura Parrott, Hollis Sweeney, Ralph Thomas, Stan Volwiler).

The rhinoceros is an animal of little intelligence and a bad temper.

## Post Office News

Since many students have lost post office keys and people finding them have used them to take mail belonging to others, the following regulations have become necessary:

### Official

Starting immediately, no mail will be issued if you forget your key. If you have lost it some place, so get it. If you have lost it, report to the postmistress, and she will either issue you a new key or move you to another box.

Do not attempt to get mail that does not belong to you, unless you have a written authorization from the person it does belong to.

All insured packages and telegrams must be signed for. You will receive a notice in your box to call at the window for either of these. If it is a telegram, ask for it immediately. Do not wait for the window to open. For anything else, wait until the window is open. There is a schedule of office hours posted on the inner door of the post office. They are there for a purpose. Please give the postmistress and her assistants time enough to complete their work in the morning.

All out-going mail should have return addresses and enough postage. It is to be dropped in the slot nearest the outside door. It will be picked up at 10:45 a.m. and 3:30 p.m. each day except Saturday.

Mail for other students may be dropped in the slot nearest the windows. It does not require postage, but must have a name and box number on it.

If you have any questions, please see the postmistress between 10:30 and 12 noon on week days or Saturdays.

For your own protection, have your folks insure you important packages.

Special deliveries will be delivered to the address upon the letter.

Weeds harbor insects and act as a breeding ground for plant rusts.

Most insects breathe through a system of tubes known as tracheae.

Small dogs can hear higher-pitched sounds than large dogs.

**Alpha Phi Omega Will Become New Central Honorary**

Application for a charter to Alpha Phi Omega headquarters in Kansas City, Missouri, is being made by a group of scouts and former scouts attending college here.

Alpha Phi Omega is a National Service Fraternity with over 168 chapters located on campuses throughout the United States. The organization embodies four fields of activity: Service to the student body and faculty, to youth and community, to members of the fraternity and to the nation as participating citizens.

**Other Chapters**

In the State of Washington, at present there are three chapters: Alpha Xi Chapter at Pullman, Gamma Alpha Chapter at the University of Washington, and Epsilon Rho Chapter at Eastern Washington College.

Officers have been elected for the proposed chapter here. They are: Ole Andress, president; Bill Cross, vice-president; Kenneth Knowlton, secretary, and John Lund, treasurer.

As soon as 25 men have paid their initiation fees, the application is to be sent in to National Headquarters.

National regulations provide that 50 to 100 men may join the fraternity for this size campus.

Many students have expressed the hope that this will lead to a fraternity house. It is stated in Alpha Phi Omega's national constitution, "that this organization cannot organize into a house. To disobey the national constitution would bring about a forfeiture of the local chapter's charter."

**Activities Listed**

Following are some of the activities and projects conducted by various chapters of Alpha Phi Omega:

Conducting student elections, aiding in freshman orientation, ushering, promoting benefit drives, i.e. Red Cross, Cancer, March of Dimes and so on, sponsoring "Ugly Man" contest, present radio shows, clean up campus, and numerous other services to the college.

Membership is the primary concern of the local organization at the present. Well over 25 have shown intentions of joining, the minimum for obtaining a charter. A project which Alpha Phi Omega recently participated in was the playing of Christmas carols from the Administration building tower the last few days of school. The Campus Christian Council promoted the idea, the Student Government Association furnished the equipment, and Alpha Phi Omega furnished the operators for the equipment.

**Eligibility**

To be eligible for membership to Alpha Phi Omega, one must be a scout, or a former scout. The rank the individual held or holds has no effect towards membership. The individual must be desirous of rendering service to others, and have a satisfactory scholastic standing.

Meetings are held in the Music building the first and third Wednesdays of the month. As soon as the organization receives its charter inauguration.

"There are many stories," the econ professor began, "connected with money." Before he continued, however, a feeble voice broke in from the end of the room:

"Yes... and most of them begin, 'Dear Dad.'"

—Syracuse Daily Orange

**OFF-CAMPUS MEN CHANGE NAME: CHOOSE 'KAAGS'**

Due to the lack of unity and outgrowing of the old constitution the executive members of the Off-Campus Men's Club met several times during the Christmas holidays, drew up a new constitution, and renamed the club the "Kaags."

This reform was brought about by lack of interest and participation in the former organization. When all members of good standing had returned from the Christmas holidays, the Off-Campus Men's Club was formerly dissolved and the new club known as the "Kaags" was voted in. Thereupon the new constitution was presented to the S. G. A. for approval and a formal application of membership to the Kaags was sent to all men living off-campus. The new constitution advocates better and more thorough principles of democracy, fellowship, participation, privileges, and obligations and as a whole meets the requirements of a good active men's club.

**Kaags, Ancient History**

The name, "Kaags," was derived from ancient history. In 2499 B.C. Kaag ruled as a fearless and just leader of the Euro people who lived a primitive and simple life the most nearly modern of all civilizations. These primitive people have many claims to the title of the "First modern culture," because in some respects they were equal if not ahead of our own standards.

In contrast with the culture of most primitive people, whose primary interest was self-preservation, the Euto, followers of immortal

Kaag clung to the idea that all were members of one family bound together by the charitable and just teachings of their democratic leader.

**People Happy**

While other peoples were faced with all the troubles of primitive life, the people of Kaag were happily free and participated wholly in life's joys. Their worries as well as their joys were accepted collectively by the entire society.

Thus the members of this club proudly accept the name "Kaags" as the title of their organization.

Americans used about 1,250,000,000 lead pencils a year.

Veterans studying under the GI Bill who want to transfer to another school at the end of the winter semester should notify Veterans Administration at least 30 days before they intend to make the change.

To enroll in a new school, VA said, a student-veteran must have a supplemental certificate of eligibility. He also must have a statement from his present school showing his progress there has been satisfactory.

A veteran may obtain a supplemental certificate of eligibility by applying to the VA regional office where his records are on file.

## Central Wildcat Cagers Scalp Eastern Washington Savages

Central's Wildcats clawed the Savages of Cheney last Friday night to a 40-42 decision. The tall boys from Central got off to a flying start with a 17-5 lead after only eight minutes of play. Eastern pulled up to within four points of the Cats at halftime but Central was never headed as they pulled away to win.

Center Chuck Long led the Wildcat scoring with 11 points and Larry Downen got 10. The Central defense was functioning beautifully, checking the Savages closely all the way.

Dean Nicholson started the scoring with a pair of field goals from out-front. Harvey Wood played his usual good game and the four big boys, Jones, Long, Graham and Shandera were controlling the backboards well. Johnny Odell dropped in 10 points for Eastern and Dick Luft canned 8.

It was the first league game for both teams and was also the first conference action held in E.W.C.'s big new field house gym.

The lineups:

Central (40)	Pos.	(42) Eastern
Graham (7)	P.	(4) Burke
Jones (11)	F.	(10) Odell
Long (11)	C.	(4) McArthur
Downen (10)	G.	(2) Dix
Nicholson (4)	G.	(6) Eicher
Shandera (3)	G.	(2) Whitcomb
Lee (2)	S.	(2) Yeach
Peterson (7)	S.	(2) Kelly
Wood (4)	S.	(3) Luft
		(3) Hendricks

Larry Downen, two year letterman guard has been going great guns for the Wildcats this season.

## Wildcat Matmen Schedule Meet

Coach Arthur Hall and his Central Washington College Wrestling team have scheduled a meet with the Yakima Y.M.C.A. team to be held at Yakima, Wednesday, January 19.

This will be the first outside competition for the Central grapplers who hold the honor of being the initial group of wrestlers ever to represent Central.

Eastern Washington College has indicated that they are interested in arranging a home and home series. PLC also showed interest in a meet. CPS is another possibility although they haven't as yet responded to an invitation query. The college has ordered a regulation mat in order to have adequate facilities for prospective meets. The squad may possibly be outfitted with new uniforms.

Coach Hall has not picked his first team grunt and groaners yet but prospects in his 14 man squad look bright. Members of the squad include Milt Kunk, Eric Beardsley, Sam Beattie, Don Carr, Clayton Frazer, Bill Behler, Bob Griffen, Wayne Hall, Vern Harmon, Dick Norman, Bill Parker, Paul Schuller, Bill Steffen, and Paul Webster.

Subsistence allowances paid by Veterans Administration to veterans in educational or on-the-job training are not considered as income for income tax purposes, VA said.

Any income that the veterans may earn on part-time jobs while attending educational institutions full-time, or earn while on-the-job training, is subject to taxation under existing tax laws.

Roller skating became popular in the United States after J. L. Plimpton of New York invented, in 1852, a four-wheel skate working on rubber pads.

## CATS LOSE SEVERAL DURING VACATION

Although dropping four of their six scheduled games over the Christmas holidays, the Central Washington Wildcats played some of the best competition on the Pacific Coast. Such great names as Andy Wolfe, ex-California All-American, Big Jack Nichols ex-University of Washington All-American, hustling Ed Gayda of Washington State College and many other fine ballplayers.

Central came out on the short end of the score with Seattle University December 17, when they ran up against a smooth, rangy quintet that played a slow, deliberate style, using series of set plays. Then they returned home and played Stewart Chevrolet, a traveling team, coached by the famous all-time great, Hank Ladseth. Again the Wildcats went down in defeat 66-36. Jack Nichols led the victors with 17 points.

After an easy win over the Richland All Stars the Wildcats journeyed to Cougarville at Washington State only to taste defeat twice more by a highly rated Washington State aggregation, who have won 19 of their 14 post season games. In the first game, 41-36, Shandera was high for Ellensburg with seven points and Elliot with nine drew scoring honors for W.S.C. In the second game, 57-37, Dean Nicholson bucketed 12 points for Central while Hamilton and Gayda led the scoring for the Cougars with 12 and 10 respectively.

Returning home the Wildcats opened fire on St. Martins College December 30 which saw Central loom victorious 73-50. Fred Peterson was high point man with 11 points although the scoring was equally distributed throughout the entire club.

## Cats Trip Pirates; Second Win

Central made it two straight wins in the opening nights of league play by trouncing Whitworth 75-57 last Saturday night. The night before the Wildcats had taken Eastern to the cleaners 40-42.

The Pirates from Whitworth got off to a good start, taking a 10-9 lead early in the game, but when Freddy Peterson and Dean Nicholson started hitting they fell rapidly behind. The Central tall boys controlled the backboards nearly the entire game.

With big Chuck Long helping out the Wildcats went ahead 41-27 at the half. But Whitworth's two midget guards, Mortlock and Roffler, pulled the Pirates up to 44-36 five minutes after the second half started. Then the Central boys started hitting again and won going away.

Chuck Long, high point in the last three contests, again paced the Wildcats with 16 counters, Peterson got 14, Nicholson 12, Downen 11, and Wood 9.

Mortlock was high for Whitworth with 15.

Lineups:

Central (75)	Pos.	(57) Whitworth
Graham (4)	P.	(5) Watters
Downen (11)	F.	(3) Brandt
Long (40)	C.	(5) Conner
Peterson (14)	G.	(12) Mortlock
Nicholson (12)	G.	(10) Roffler
Jones (6)	S.	(2) Mahaffey
Pugh (12)	S.	(2) Adams
Batterlee	S.	(2) Good
Wedekind	S.	(7) Cameron
Shandera (1)	S.	(1) Ehn
Jurgens	S.	(1) Stew
Lee (2)	S.	
Wood (9)	S.	

Halftime score: Central 41, Whitworth 25.

# THE PRESS BOX

BY ART BELCHER

It is a good start with two-and two wins the Wildcat enters another long series away from home this weekend. If the Central and Loggers and Rangers they will be the only undefeated in the division. A big score and this weekend could mean a lot in deciding the still young race.

Western's record dropped to 2-1 but the Vikes saved the CPS record by coming from behind to match a 2-0 victory and to end the season. Start the Wildcat's record will be 2-0 in the home entry this season.

Central was held down in scoring by the close checking Central but they staged a rally after the following night when they won away from the Loggers. 7-0, 2-0, 2-0.

Central gave a good demonstration of well balanced and distributed scoring against Whitworth. The Wildcat's record high in the first half scoring season for the year.

St. Mary's 2-0 against Whitworth. The Wildcat's record high in the first half scoring season for the year.

The CPS Loggers made the Coast Conference members think twice before scheduling away from home. The Loggers made the Coast Conference members think twice before scheduling away from home.

The St. Mary's Rangers won their opening game of the season. The St. Mary's Rangers won their opening game of the season.

The first weekend round of action in the KIC conference indicated the trend that the new league will follow. All but two of the leagues to schedule games during the 2-0, 2-0, 2-0.

A three year veteran will return to action this week. The three year veteran will return to action this week.

Central Washington College's first wrestling team is appearing in the first round of the KIC conference. The first round of the KIC conference.

## Central To Meet Rangers - Loggers

After a successful invasion in the eastern part of the state the Central Washington College edge team will swing west this weekend to battle the St. Mary's Rangers and CPS Loggers on successive nights. When the Central and company complete their tour they will come home for their next seven out of eight conference tests.

St. Mary's coach, K. Nedy, has fielded a veteran team with plenty of heart and reserve strength. The Rangers are currently in a four-way tie for second place with one win and one loss. Don Dyer, a foot and a half center, leads the Rangers. The Rangers are currently in a four-way tie for second place with one win and one loss.

St. Mary's coach, K. Nedy, has fielded a veteran team with plenty of heart and reserve strength. The Rangers are currently in a four-way tie for second place with one win and one loss.

## Players Of Xmas Music Given Honors

In co-operation with the Student Government Association, the Campus Christian Council and Alpha Phi Omega brought holiday music to the campus throughout the final days of fall quarter, via the public address system located in the Administration Building tower.

Strains of "Silent Night" and others could be heard across the campus and in the surrounding residential areas as the cold, clear atmospheric conditions afforded good reception.

Doug Poole was assigned as chairman of the committee to set up the broadcasting booth in the tower of the Administration Building. Alpha Phi Omega, the service organization, assisted in the play of the program and the students were the main attraction.

St. Mary's coach, K. Nedy, has fielded a veteran team with plenty of heart and reserve strength. The Rangers are currently in a four-way tie for second place with one win and one loss.

Games This Week  
Jan. 14-Central at St. Mary's; PLC at CPS; Western at U.S.C.; Whitworth at Western.  
Jan. 15-Central at CPS; PLC at St. Mary's; Western at Western; Whitworth at U.S.C.

Only two teams remained undefeated after the stroke cleared away from battle in last week's first round of games in the Evergreen Conference. Those two, CPS and Central, breezed through with two victories apiece.

Playing at home the Loggers from Tacoma swept by Western 40-00 on Friday night and came back the following evening to bury UBC 75-35. All conference Jerry Starr of Western was high man in the CPS game, with 17 points.

The Wildcats from Central went on the road to chalk up a 49-42 win at Cheney on Friday and topped up Whitworth, 75-37 the following night in Spokane. Chuck Long, Central center, led the Wildcat scoring both nights with 11 and 16 counters respectively.

Four teams came up with even splits in two games. PLC, St. Mary's, Eastern and Western. St. Mary's won out in probably the most thrilling game of the week, when they nipped UBC, 58-57 in overtime. Western came back from their CPS loss to take St. Mary's on Saturday, 57-46. PLC took Whitworth into camp 68-57 on Friday but lost to Eastern, 45-38, Saturday, in Cheney. Whitworth and UBC are the cellar dwellers with two losses and no wins.

## Montgomery Votes Jenkins Prexy

All officers of Montgomery Hall, men's dormitory, were returned to their posts for another quarter by a nearly unanimous vote at a regular meeting at the close of the Autumn quarter.

Richard "Snuffy" Jenkins, Wildcat yell king, will head the group as president. Retaining his post as vice-president is Harry Dixon.

Resuming the duties of combination room manager and home bank.

## WILDCATS TO BE HERE NEXT WEEK

Following their Olympia and Tacoma invasions this weekend Central will return home to entertain Western and UBC next Thursday and Friday nights. This will be the first conference tests the Wildcat will play at home.

Western is a darkhorse entry this season and they displayed plenty of power in their opening conference games. CPS was forced to come from behind to nip the Vikes in their opening conference action and the Western squad, coached by former Washington star, Bill McReynolds, nailed St. Mary's in their second test, 57-46.

All-Conference Jerry Starr is back leading the Westerners this season and he displayed great form in both the CPS and St. Mary's games. Five other lettermen are on hand to bolster Western's attack. Ray Scott, a 6 foot 4 inch letterman at forward, has been displaying an uncanny deftness with his one-handed push shot from the corners. Starters include Starr and Scott at the forwards, Dick Ravechup, 6 foot 5 inch, at center, and Jack Ross and Tom Green at the guard spots. All are lettermen.

Little advance information has been received from the UBC camp but the Thunderbirds evidently have a high scoring reputation as they posted 57 and 58 counters in their first league encounters. The Thunderbirds were given a pre-season rating placing them in the middle of the bunch.

St. Mary's coach, K. Nedy, has fielded a veteran team with plenty of heart and reserve strength. The Rangers are currently in a four-way tie for second place with one win and one loss.

## NEW RULES DRAWN FOR W.R.A. LEAGUE

Girls' basketball is getting into full swing with the opening of winter quarter. Again this year, W. R. A. is sponsoring a tournament in which all teams will participate.

To be eligible for team play, each girl must be present for three practice sessions, and their names will be drawn out of a hat for placement on a team. There will be no game postponements or trading of team players; if a team shows not have a sufficient number of players or is late for its schedule, an automatic forfeit will be the penalty. Approximately 75 girls have signed up so far.

Miss Jesse Puckett and Miss Mary Bonmar will be faculty advisors for the tournaments, assisted by Irene Mudd, sports manager, and Carol Reuter, assistant manager.

St. Mary's coach, K. Nedy, has fielded a veteran team with plenty of heart and reserve strength. The Rangers are currently in a four-way tie for second place with one win and one loss.

## PLAY CAST

(Continued from Page 1)

France's saviour. She is directed to go to Dauphin, an army general, lead his armies to victory and set him up as the king of France. Her struggles to accomplish the task as- signed her makes up the story.

"We are still in need of people," Mr. Howell commented, "to help work on preparations for the show and on the stage itself. Anyone who is interested in helping on prop- erties, publicity, advertising or pro- grams may see me in the Little Art Theater on the fourth floor of the Administration Building in the next few days."

## Weather Effects PNCC Meeting

The fourth annual session of the Pacific Northwest College Congress scheduled for Jan. 6-8 at the Uni- versity of British Columbia has been postponed indefinitely because of weather conditions.

This intended gathering of stu- dents from colleges and universities throughout the Northwest from Alaska to Idaho and from Alberta to Oregon received a temporary set- back because weather conditions made travel difficult for students east of the mountains.

Two student representatives and one faculty advisor are docked to attend from Central. They are Bob Pashek and Gerald Varner, students, and Dr. J. Richard Wilmetts of the Social Science department, advisor.

Rattlesnakes are the most highly developed of the venomous snakes.

## English Prof Accepts New Summer Post

Dr. Catherine Bullard, professor of English and chairman of the division of language and literature at C.W.C.E., has accepted an ap- pointment to teach at the University of Minnesota for next summer ses- sion.

Dr. Bullard will take the place of Dr. Dora V. Smith, professor of education at the University of Min- nesota, who will be teaching at the University of California in Berkeley for the summer. Dr. Smith con- ducted a language arts conference on the C.W.C.E. campus during last summer's session.

At the University of Minnesota, Dr. Bullard will teach for a six weeks term beginning June 13 and end- ing July 22 as a visiting professor. While on the college staff, she has published a number of magazine ar- ticles, edited two books, and, with Harold E. Barto of the social science division, written a history, "The State of Washington."

## Women's PE Head Writes For Book

Miss Jesse L. Puckett, associate professor of physical education who heads the women's physical educa- tion department at C.W.C.E., is the author of a chapter in a book en- titled "Film and Education."

The title of Miss Puckett's chap- ter is "Application of the Film in Health and Physical Education." The book was published in September by Philosophical Library in New York. It examines in detail the growing importance of the motion picture in school and community life.

## SGA THEATRE PARTY HELD FRIDAY NIGHT

The first all-school theatre party of the year was held last Friday evening in the college auditorium when SGA presented a double fea- ture, "Diamond Jim" and "The Spoilers."

Diamond Jim Brady, the fabulous industrial tycoon, was portrayed by Edward Arnold and Jean Arthur starred in the female supporting role.

Rex Beach's "The Spoilers" was the second feature and starred Mar- lenne Dietrich. The saga of the Yukon and the first days of the gold rush was the background for this action-packed story.

Reindeer originally were native to northern Europe and Siberia.

## WESLEY CLUB SLEIGH RIDE BIG SUCCESS

A cold, clear moonlight Friday night, January 7, provided the ideal backdrop for the Wesley Club sleigh ride.

Under the chairmanship of Ray Strong and Marguerite Hodgson, the schedule of events for the evening began at 7:30 when two sleigh loads of hardy riders left the Prater home in sleighs provided by Bill and Gene Prater. Although adverse atmos- pheric conditions prevailed at first, the good weather soon won out.

The group finished the evening and did any necessary thawing out in the Methodist Church basement with refreshments, folk dancing and singing.

## TENTATIVE ASSEMBLY SCHEDULE Tentative Assembly Schedule

Winter-1949	
Jan. 13, Thursday, 10:00 a.m.	John Harvey Furbay, explorer, scientist, educator and author. "Doing Business in an Air Age."
